

## Plein Aire Schedule 2024

This year's plein-aire group will be going outdoors to paint, draw and enjoy nature each Thursday from 10am to 2pm. Beginners are welcome but no formal lessons are provided. Bring a lunch and water and know not all locations have restrooms, I have tried to indicate a few essentials like RR=restrooms, W=water, GH=Gig Harbor, KP=Key Peninsula but know that some sites have nothing. Addresses are provided as we do want you to arrive. We have combined some old sites with new ones and on the second Thursday of each month the Urban Sketchers group will join us. Please also know you are welcome to join the garden tour as a plein aire painter just let Pam Jenkins know. Please join us!
